Personal Projects: [GregglIsGreat](#)

EDUCATION

Bachelor of Science (Honors) in Business Intelligence And Data Analytics

University Of Sunderland

Duration: July 2019 - July 2023

Grade: Second Class Honors (1st Division) – 2.1 Degree, equivalent to Grade B / 70% /4.0 CGPA

WORK EXPERIENCE

1. Software Developer Attachee

Botswana Unified Revenue Services

Duration: 21 January 2022 - 30 July 2022

Key Performance Area:

- User Testing of a Ticket Management System (Request Tracker)
- Installed and Managed a self-hosted Monitoring Tool (Uptime Kuma, Kubernetes)
- Development of a Web Interface to pull CIPA Registered Companies from SQL database
- Development of a Task Scheduling Tool with python to integrate with the Botswana Interbank Settlement System (BISS)
- Development of a REST API tool to integrate into the Ticket Management Tool to send notifications to multiple applications from Slack, Microsoft Teams. In conjunction with the monitoring tool

2. Web Technician Intern

Infohub Group

Duration: 02 June 2023 - 12 December 2023

Key Performance Area:

- Developed the company website
- Researched on the best practices for Hosting websites, Website builders, Payment Gateways
- Company Registration using the Public Procurement Regulatory Authority website (PPRA)
- Developed the value pricing for website development for different clients

3. Junior Developer

Blackoak Consulting

Duration: 02 April 2024 - Present

Key Performance Area:

- Analysed server storage to identify large or unnecessary files and logs and performed database cleanup
- Managed API endpoints to ensure proper routing and data handling, guaranteeing that each URL endpoint was correctly linked with its corresponding data
- Developed and executed Selenium test cases for automated system testing
- Implemented new features:
 - Association number assignment for applicants, ensuring that each applicant is uniquely identified by a single association number.
 - Calendar events into the system and CRM, allowing users to receive meeting links and have events automatically added to their calendars
- Frontend Development:
 - Implemented customised reports based on user needs to enhance decision-making.
 - Identified and corrected labelling errors in the system to ensure accurate data presentation
 - Developed calendar selector logic to ensure that the second date picker dynamically adjusts based on the first date's selection, limiting the range from the selected date to today.
 - Integrated case types and categories into the dashboard, providing users with key information in a centralised view.

Hard Skills

- Python Programming
- R Programming
- MySQL
- MongoDB
- Java
- Javascript
- AngularJS
- Spring Boot Framework
- Django Web Development Framework
- Artificial Intelligence
- Machine Learning
- Data Analysis
- Database Design
- Microsoft Power BI

Soft Skills

- Patient
- Communication skills
- Time management
- Critical and strategic thinking
- Digital literacy
- Self-motivated
- Team working
- Leadership

REFEREES

Mr Tshepiso Setsiba

Software Developer

Botswana Unified Revenue Services

P/bag 0013

Gaborone, Botswana

Contact number – 72798247

Plot 61050, Off T-cono Drive, Block 8

Gaborone, Botswana

Contact number – 71787657

Email – wmlazie@gmail.com

UNIVERSITY OF SUNDERLAND

Thabang Teddy

HAS BEEN AWARDED THE DEGREE OF

*Bachelor of Science
Second Class Honours (First Division)*

HAVING FOLLOWED AN APPROVED PROGRAMME IN

Business Intelligence and Data Analytics

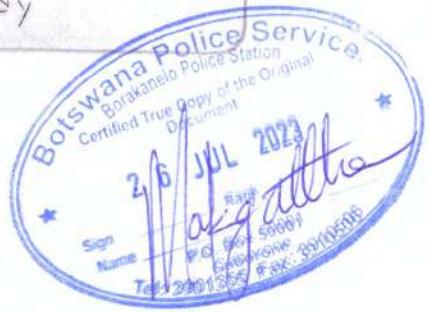

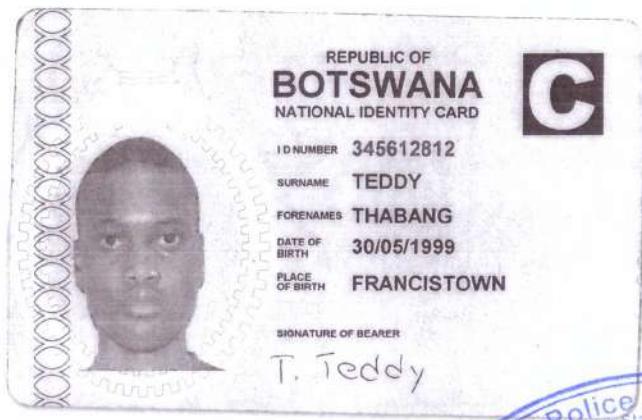

JULY 2023

Academic Registrar

Vice-Chancellor and Chief Executive

Full award details, including module results, are provided in a separately issued transcript.

May 2, 2023

Thabang Teddy

has successfully completed with honors

Machine Learning with Python

an online non-credit course authorized by IBM and offered through Coursera

Saeed A. gSantarcangelo

Saeed Aghabozorgi
Sr. Data Scientist
IBM

Joseph Santarcangelo
Senior Data Scientist
IBM

COURSE CERTIFICATE

WITH HONORS

Verify at:

Coursera has confirmed the identity of this individual and their participation in the course.

10 Courses

- What is Data Science?
- Tools for Data Science
- Data Science Methodology
- Python for Data Science, AI & Development
- Python Project for Data Science
- Databases and SQL for Data Science with Python
- Data Analysis with Python
- Data Visualization with Python
- Machine Learning with Python
- Applied Data Science Capstone

May 3, 2023

Thabang Teddy

has successfully completed the online, non-credit Professional Certificate

Rav Ahuja
AI & Data Science
Program Director
IBM Skills Network

IBM Data Science

In this Professional Certificate, learners developed and honed hands-on skills in Data Science and Machine Learning. Learners started with an orientation of Data Science and its Methodology, became familiar and used a variety of data science tools, learned Python and SQL, performed Data Visualization and Analysis, and created Machine Learning models. In the process they completed several labs and assignments on the cloud including a Capstone Project at the end to apply and demonstrate their knowledge and skills.

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
